Postlude		

As the mother teaches her children to obey her because they love her, she is teaching them the first lessons in the Christian life. The mother's love represents to the child the love of Christ, and the little ones who trust and obey their mother are learning to trust and obey the Saviour.

Desire of Ages, p. 515

Sabbath Thought
My mother was the most beautiful woman I ever saw. All I am I owe to my mother. I attribute all my success in life to the moral, intellectual and physical education I received from her.
George Washington

Theme Song
We Declare Your Majesty
(Please Stand)

We declare Your majesty,
We proclaim that Your name is exalted.

For You reign magnificently, Rule victoriously,
And Your power is shown throughout the earth.

And we exclaim, "Our God is mighty,
Lift up Your name for You are holy."

Sing it again all honour and glory,
In adoration we bow before Your throne.

Prayer Song

Come Just As You Are

Come just as you are, Hear the Spirit call,
Come just as you are.
Come and see, come receive,
Come and live forever.

Life everlasting, Strength for today,
Taste the living water and never thirst again.
(Please Kneel and Repeat 1st Verse)

Children's Song

A Mom's A Special Lady

A Mom's a special lady, So hug her every day.
She gives you lots of food to eat,
And takes you out to play.
Your mother reads you stories,
And buys you sneakers, too.
Aren't you happy that you have
A mom who loves you so?"

The Prayer Mother Taught Me

*The prayer that Mother taught to me
As I knelt there beside her knee
Was earnest, fervent as could be,
And of a great simplicity.*

*That simple prayer became the key
That set my heart forever free.
I came, in deep humility,
To know the Christ of Galilee.*

*In times of stress and misery
I found that life's serenity
Lay in the prayer that, lovingly,
My mother taught me at her knee.

Don't Forget to Wash Your Hands

Here are proper hand -washing techniques that you can adopt into your daily routine:

1. Wet your hands and wrists with warm running water.
2. Rub your hands, including the fingers, palm-to-palm in a circular fashion.
3. With palms still together, intertwine the fingers and rub in between them.
4. In a circular fashion, rub the back of each hand with the opposite palm, making sure not to ignore the knuckles and fingers.
5. Rub each thumb by gripping it with the opposite hand.
6. Rub each wrist by gripping it with the opposite hand.
7. Be sure that each part is washed for at least 20 seconds.
8. Rinse your hands and wrists thoroughly under warm running water. It may be helpful to keep your hands lower than your elbows to avoid water flowing onto the arms and contaminating them.
9. Dry your hands completely using a clean towel or an air drier.
