Sermon		

God has ordained laws for the government, not only of living beings, but of all the operations of nature. Everything is under fixed laws, which cannot be disregarded. But while everything in nature is governed by natural laws, man alone, of all that inhabits the earth, is amenable to moral law. To man, the crowning work of creation, God has given power to understand His requirements, to comprehend the justice and beneficence of His law, and its sacred claims upon him; and of man unswerving obedience is required.

Turn your eyes upon Jesus, Look full in His wonderful face;
And the things of earth will grow strangely dim
In the light of His glory and grace.

Turn your eyes upon Jesus, Take hold of His powerful hand,

In the strength of your God you can stand.
