Benediction		Jason Williams

In view of the glorious inheritance that may be his, "what shall a man give in exchange for his soul?" Matthew 16:26. He may be poor, yet he possesses in himself a wealth and dignity that the world could never bestow. The soul redeemed and cleansed from sin, with all its noble powers dedicated to the service of God, is of surpassing worth; and there is joy in heaven in the presence of God and the holy angels over one soul redeemed, a joy that is expressed in songs of holy triumph.

Sabbath Thought

Have thy tools ready, God will provide thee work.
 Charles Kingsley

This Is The Day

This is the day, this is the day,
 That the Lord hath made, that the Lord hath made;
 I will rejoice, I will rejoice, and be glad in it, and be glad in it.
 This is the day that the Lord hath made;
 We will rejoice and be glad in it.
 This is the day, this is the day that the Lord hath made.

ANNOUNCEMENTS

The Worship Song

Lord, You're worthy to be praised, and I praise You.
 Lord, You're worthy to bow down to, and I bow down to You.
 Lord, You're worthy to be worshiped, and I worship You.
 I praise You, I bow down to You, I worship You.

Lord, You're worthy to be honored, and I honor You.
 Lord, You're worthy to believe in, and I believe in You.
 Lord, You're worthy to be trusted, I put my trust in You.
 I honor You, I live for You, I put my trust in You.

Lord, You're worthy to be love, and I love You.
 Lord, You're worthy of my life, I give my life to You.
 Lord, You're worthy, oh, so worthy, I give my all for you.
 I love You, I live for You, I give my all for You.

To the Lamb

To the Lamb upon the Throne, Be the praise forevermore.
 Be the power and the glory. Be the strength and majesty.

Chorus:

We worship Thee, O Lamb of God, The Living Word.
 We lift up Your name and worship Thee.
 Ancient of Days, We give You praise,
 O Lamb upon the Throne.

Son of God, Son of Man, You became the Spotless Lamb;
 Suff'ring for me, You showed me mercy,
 Now You reign in majesty.

Holy, Holy, Holy

(Please Stand)

Holy, holy, holy, Holy is the Lord!
Holy, holy, holy, Holy is our God!
He who always liveth, Evermore the same.
Heaven and earth He ruleth, Come and praise His name!

Holy, holy, holy, Holy is the Lord!
Holy, holy, holy, Holy is our God!
Glorious and beloved Is the One adored.
Holy, holy, holy, holy is the Lord.

O Thou Who Hearest

O Thou who hearest every heartfelt prayer.
With Thy rich grace, Lord, all our hearts prepare;
Thou art our life, Thou art our love and light,
O let this Sabbath hour with Thee be bright.
(Please kneel and repeat verse)

Prayer Song

Soften My Heart

Soften my heart, Lord, soften my heart;
From all indiff'rence set me apart.
To feel your compassion, to weep with Your tears;
Come soften my heart, O Lord, soften my heart.
(Please kneel and repeat verse.)

Children's Song

Just When I Need Him

Just when I need Him, He is my all,
Answering when upon Him I call;
Tenderly watching lest I should fall,
Just when I need Him most.
Just when I need Him most, Just when I need Him most,
Jesus is near to comfort and cheer,
Just when I need Him most.

Benediction

Turn Your Eyes Upon Jesus

Turn your eyes upon Jesus, Look full in His wonderful face;
And the things of earth will grow strangely dim
In the light of His glory and grace.

Turn your eyes upon Jesus, Take hold of His powerful hand,
He will lift you up in His mighty love,
In the strength of your God you can stand.

Health Nuggets

It's the Weather for It

Richard J B Willis
BUC Health Ministries Director

A Report has just been released by Jean-François Guégan (of the Institute for Development Research, Montpellier, France) examining the data on 332 human pathogens in 224 countries which shows that infectious disease is on the march.

Diseases long thought to be under control have been re-emerging and resurgent since 1990, and new diseases are increasing. The major underlying cause for the spread of these diseases is the climate change. Some conditions flourish in drought, others through the heavy rains occurring when drought is broken. During dry periods ticks increase in quantity and predators (such as owls or snakes) are reduced. Thus the balance in nature which would control the circumstance surrounding the spread of disease is upset.

Other conditions occur as a result of flooding and subsequently unsafe drinking water, contaminated with sewage and various pathogens. An increase in the mosquito-borne Ross river virus in Australia has been shown to be linked with rainfall patterns in the area.

It should also be kept in mind that travelling to distant and exotic spots has also increased, hence there is a greater prospect of exposure to diseases previously encountered only by the few who ventured that far. With the UK weather being so unpredictable more people are heading for warmer climates. So the weather is to blame in more than one sense.

It is wise to prepare for most eventualities and to observe strict hygiene principles at all times. The preparation should include adequate travel insurance. Treatment can be quite expensive especially if it includes hospitalization. However, by taking simple precautions in most cases the worst can be avoided. Do not let fear put you off traveling, it's the weather for it!
